

Some Legal Issues to Consider Modification of Contracts

SJO

- Contracts should be modified
 - Owner to acknowledge receipt of information
 - Pre-authorize schedule changes to comply with RRP
 - Windy days
 - Damage to containment by others
 - Subs to indemnify, defend and hold GC harmless
 - Owner requests for testing, abatement or cleaning will result in Change Order (adjusting time and cost)
 - Remove “broom clean” from contract
 - Make final payment to subs contingent on completion of all required documentation and records
